Questions?

Email osu-benefits@okstate.edu or call OSU Benefits **405.744.5449**.

Eligibility

If you are appointed to work at least a six-month assignment and have a .75 or greater FTE in an eligible staff or faculty employee position, you may participate in the University's insurance plans.

All eligible spouses recognized under applicable law qualify for University benefits in accordance with the University's plan documents. For questions about eligibility, please contact OSU Benefits, osu-benefits@okstate.edu or **405.744.5449**.

For medical, dental, and vision benefits, your eligible dependents are as follows:

- Your spouse
- Your child under the age of 26; may be married or unmarried
 - Does not need to be enrolled as a student; and/or may have a separate residence from you
 - Your married or unmarried child of any age who is medically certified as disabled and dependent upon you for support and maintenance

Employees should carefully review the dependents they are covering on medical, dental, and/or vision insurance. During OSU Benefits Enrollment, employees should drop coverage for anyone who does not meet the criteria listed above for an eligible dependent. If covering eligible dependents, supporting documentation will be required to add them to the plan (e.g., marriage license, tax return, birth certificate).

Important

Change of Status Event

You cannot change your insurance coverage during the year except in the case of a qualified change of status. You have 30 days from the date of a qualifying change of status event to notify OSU Benefits and change your insurance selections. Most changes are effective the first of the month following notification. If you do not make your changes during the 30-day status-change period, your changes cannot be made until the next OSU Benefits Enrollment period. Financial hardship and provider network changes are not considered qualifying events.

Here are some common examples of qualified change of status events:

- Marriage, divorce, legal separation, or spouse's death
- Birth, adoption, medical child support order, or dependent's death
- Change in residence if the change affects you or your dependents' current plan eligibility
- Gain or loss of other group coverage, starting or returning from leave of absence, or change of job status (e.g., changing from part-time to full-time)

Enrollment

OSU Benefits Enrollment

Annual Enrollment occurs October 30-November 10, 2023. During this time, you may review coverage and make changes to your insurance and add or remove dependents from coverage. Changes you make during OSU Benefits Enrollment will start January 1.

Complete the enrollment process and access additional resources related to your benefits package through the self-service menu at my.okstate.edu. Or utilize the Benefitfocus (Benefitplace) App:

- Install the Benefitfocus App called Benefitplace from Google Play or the Apple App Store.
- Enter the company ID, OSUAM.
- Log into your benefits using your campus credentials.

Health Savings Account (HSA)

Employees have the opportunity to contribute pre-tax dollars to an account to use for qualified medical expenses.

Employees who wish to participate in an HSA must be enrolled in a high deductible health plan, such as BlueEdge High Deductible, cannot be enrolled in Medicare, cannot be claimed as a dependent on another person's tax return, and cannot be enrolled in any other non-qualified medical plan.

HSA's are not use-it-or-lose-it plans. The contributions you make to the account rollover year to year and are yours to take with you if you leave the University. The HSA is not pre-funded. You use what is available in the account after it has been deposited. HSA participants can use the funds beyond medical expenses for such items as COBRA premiums, long term care insurance, and Medicare insurance premiums including A, B, C, and D products.

Management of your HSA is your responsibility. You will receive a Welcome Kit in the mail from HealthEquity along with your HealthEquity Visa Card issued in the primary account holder's name. To set up your account go to my.healthequity.com. You will need to add dependent information to your account after receiving your welcome kit. You will also need to add beneficiary information to your HealthEquity account. You can use your debit card, administered by HealthEquity, to pay for eligible expenses.

HealthEquity may request documentation to verify your identity to comply with the USA Patriot Act. This request must be fulfilled for the account to be opened. Funds cannot be deposited until the account is open. Delayed submission of appropriate documentation may result in forfeiture of missed contributions.

There are fees associated with your HSA. When you access your account online, you will be directed to your homepage which includes forms and resources, including a fee schedule. OSU will contribute \$62.50 per month up to \$750 per year for those enrolled in employee only coverage. OSU will contribute \$104.17 per month up to \$1,250 per year for those enrolled in employee plus dependent coverage. You must have an HSA set up to receive these monthly contributions. Please review the fee schedule associated with your account.

For the 2024 tax year, the maximum contribution is \$4,150 for individuals and \$8,300 for family. You may also have an opportunity to make a \$1,000 catch up contribution if you are age 55 or older.

Flexible Spending Account (FSA)

Flexible Spending Account (FSA)—Healthcare

The flexible spending account for healthcare is administered by Chard-Snyder.

A healthcare FSA allows you to set aside a portion of your earnings to pay for qualified healthcare expenses as established by the IRS. Money deducted from your paycheck into the healthcare FSA is not subject to payroll taxes, resulting in a substantial payroll tax savings to you. The annual plan maximum for 2023 per participating employee is \$3,050. The IRS has not released the 2024 annual plan maximum yet but this will be updated upon the IRS release of the new annual plan maximum. If you have remaining funds at the end of the year you can carryover up to \$610.

- If you are in BlueEdge and do not have a health savings account, you can elect the healthcare FSA
- Under the Affordable Care Act, the Internal Revenue Service has set an annual limit on the maximum an employer can contribute to a Health FSA; the 2024 limit is \$500; therefore your monthly employer contribution to the health FSA will be \$41.67 (\$500 annual maximum)

You may use the FSA for the following expenses.

- Deductibles, coinsurance, and copayments
- Other qualified expenses which are allowable for a medical tax deduction

Please note expenses must be incurred in 2024 while you are a covered participant in the plan and elections cannot be stopped or changed during the year unless a qualified family status change occurs (as defined by the IRS) (see page 4).

Flexible Spending Account (FSA)—Dependent Care

The dependent care FSA lets you use pretax dollars towards qualified dependent care. The maximum amount you may contribute to the dependent care FSA is \$5,000 per household (or \$2,500 if married and filing separately) per calendar year for dependents up to age 13.

Voluntary Benefits

Group Basic Life and AD&D

OSU provides basic life and accidental death and dismemberment coverage to continuous, regular benefits eligible employees who work at least 30 hours a week (0.75 FTE). Plus, OSU offers you the opportunity to purchase additional insurance for yourself and your family. Lincoln Financial provides the life insurance coverage.

Coverage Provided by OSU

Employees have basic life coverage provided by OSU of two times annualized salary up to \$100,000, with accidental death and dismemberment coverage.

The Lincoln Financial life insurance plan includes the following.

- Accidental death and dismemberment coverage equal to basic life insurance coverage
- Accelerated death benefit which allows terminally ill employees to receive benefits while living
- Automatic reduction of coverage when reaching age 65, 70, and 75
- \$6,000 life insurance when you retire from OSU; must meet OSU retirement criteria

Voluntary Supplemental Coverage Opportunities

Employees may purchase additional coverage on themselves, spouse, and children. For more detailed information, please visit hr.okstate.edu/benefits/life or call **405.744.5449**.

- No proof of good health is required if enrolled within 30 days of hire; limit of two times employee salary (up to \$300,000) for employee and one time employee salary (up to \$130,000) for spouse
- Cost is based on age of employee and spouse
- Children coverage is based on coverage units, rather than age (covered through age 26)
- Proof of good health required if coverage is increased more than the guaranteed issue amount
- Portability is available to continue supplemental employee coverage upon separation
- Employees can port supplemental life on their spouse and children if the employee ports supplemental life on their self
- Even higher coverage limits are available at any time during the year by providing proof of good health satisfactory to Lincoln Financial Life Insurance

If you are interested in applying for additional supplemental life insurance coverage, please contact Human Resources for instructions. You will receive notification from Lincoln Financial, via your mailing address, regarding the status of your request.

Voluntary Benefits

Cancer Protection

OSU offers a Cancer Protection Insurance Policy through American Fidelity Assurance (AFA) Company. If you are diagnosed with cancer, AFA's Limited Benefit Cancer Insurance Plan pays benefits directly to you. This money may be used however you need, allowing you to protect yourself from financial hardship.

How would you pay for these out-of-pocket medical expenses?

- Lost income
- Utilities
- Spouse's lost income
- Meals and lodging
- Transportation costs
- Special diets
- Housekeeping expenses
- House/mortgage payments

Contact Sheryl West for enrollment
sheryl.west@americanfidelity.com.

Short Term Disability

OSU offers a short term disability (STD) policy through Lincoln Financial. This is a voluntary plan and premiums will be deducted from your paycheck as an after tax deduction. This benefit will provide a cash benefit when you are out of work for up to 14 weeks due to injury, illness, surgery, or recovery from childbirth. This benefit begins paying out after a period of 15 days due to injury or sickness, and participant must exhaust sick leave prior to benefit paying.

STD Coverage Options and Costs

60% of your weekly salary, limited to \$2,308 per week.

Cost of Coverage

Age Range	Premium Rate
0-34	\$0.27
35-54	\$0.25
55+	\$0.29

* Premium rate per \$10 weekly salary

Example for 35 year old with a weekly salary of \$769.23 \times 0.60 = \$461.54 $(461.54/10) \times 0.247 =$ \$11.40 monthly premium

Long Term Disability

OSU offers a long term disability (LTD) policy through Lincoln Financial. This is a voluntary plan and premiums will be deducted from your paycheck as an after tax deduction.

No one plans to be disabled, but are you prepared if it were to happen to you? Disability can cause financial hardship. A disability plan is a great source for providing the income protection you need. It basically works as insurance on your income: when you are unable to work due to a disability, you would receive benefits to help pay for life's necessities. Employees can apply for a LTD policy at any time during the year. If you are within your first 30 days of hire, you are guaranteed issue of this policy.

LTD Coverage Options and Costs

60% of employee's monthly salary, up to a maximum benefit of \$6,000. The cost is \$0.27 per \$100 monthly salary.

Example for 60% LTD cost: $\$29,000/12 = \$2,417/100 = \$24.17 \times 0.27 = \6.53 per month.

Employee Assistance Program

ComPsych® provides employee assistance program (EAP) services for Oklahoma State University. Your GuidanceResources® benefits will give you and your dependents confidential support, resources, and information for personal and work-life issues. These services are provided at no charge to benefits eligible employees and their dependents.

For additional information, please go online to <https://hr.okstate.edu/benefits/guidanceresources.html>.

MASA Medical Transport Solutions

Enroll in the Emergent Plus plan today and protect you and your family against the financial burden of massive out-of-pocket ambulance costs, all at an affordable group rate.

Emergent Plus Membership Benefits

A MASA MTS Membership provides the ultimate peace of mind at an affordable rate for emergency ground and air transportation assistance expenses within the continental United States, Alaska, Hawaii, and while traveling in Canada, regardless of whether the provider is in or out of your group healthcare benefits network. After the group health plan pays its portion, MASA works with providers to make certain our Members have no out-of-pocket expenses—for emergency ambulance transportation assistance and other related services.

Emergency Air Ambulance Coverage¹

MASA MTS covers out-of-pocket expenses associated with emergency air transportation to a medical facility for serious medical emergencies deemed medically necessary for you or your dependent family member.

Emergency Ground Ambulance Coverage¹

MASA MTS covers out-of-pocket expenses associated with emergency ground transportation to a medical facility for serious medical emergencies deemed medically necessary for you or your dependent family member.

Hospital to Hospital Ambulance Coverage¹

MASA MTS covers out-of-pocket expenses that you or a dependent family member may incur for hospital transfers, due to a serious emergency, to the nearest and most appropriate medical facility when the current medical facility cannot provide the required level of specialized care by air ambulance to include medically equipped helicopter or fixed-wing aircraft.

Repatriation to Hospital Near Home Coverage¹

MASA MTS provides services and covers out-of-pocket expenses for the coordination of a Member's non-emergency transportation by a medically equipped, air or ground ambulance in the event of hospitalization. More than one hundred (100) miles from the Member's home if the treating physician and MASA MTS' Medical Director says it's medically appropriate and possible to transfer the Member to a hospital nearer to home for continued care and recuperation.

1. All coverage provided by this membership is limited to the continental United States, Alaska, Hawaii, and Canada, and must originate and conclude therein.

Benefits Value Advisor

All OSU Medical plan participants will have access to the Blue Cross and Blue Shield of Oklahoma (BCBSOK) Benefits Value Advisor (BVA), and to help you maximize your benefit plan. Through the BVA program, when you are in need of healthcare services, you will have the opportunity to speak with a specially-trained advisor about your options for receiving care. These advisors will help you and your covered family members better understand how your benefits work, provide you with a cost estimate for specific healthcare services or procedures, assist you with pre-certification of your benefits, and even schedule appointments with your selected provider for your upcoming services or procedure.

How Can a Benefits Value Advisor Save You \$100 and Lower Costs to the OSU Medical Plan?

Before you go for a non-emergent MRI, CT scan or any of the procedures listed below (see box) contact a Benefits Value Advisor. This can save you \$100 on fees and will allow you to see cost estimates on in-network provider to get you the best price on these services. If you choose to have the BVA customer service representative do so, they can schedule your appointment for you. You will save money, and by selecting a provider who delivers the same treatment at a lower cost, you will be doing your part to save the OSU medical plan money. Saving the plan money will help keep the OSU plan financially healthy which keeps your cost-sharing (premiums, deductibles, coinsurance, and copayments) as low as possible going forward.

Contact the BVA by calling the customer service number on the back of your BCBS insurance card.

- Diagnostic Radiology (ENGR, DRAD)
- Joint Replacement (ENGR, JRPL)
- Bariatric (ENGR, BART)
- Musculoskeletal IP (ENGR, MSKI)
- Musculoskeletal OP (ENGR, MSKO)
- Reduction Mammoplasty (ENGR, WOHL)

How Much do Costs Really Vary for the Same Procedure?

Here is one example:

Brain MRI	Provider A	Provider B	Provider C	Provider D
Cost	\$1,150	\$898	\$750	\$455

In Addition to MRI and CT Scans, What Other Services Should I call BVA About?

BVA customer service representatives are available during regular BCBSOK customer service hours to help you and your family members plan for healthcare services such as:

- CAT or CT scans
- MRIs
- Endoscopy procedures
- Colonoscopy procedures
- Back or spinal surgery
- Knee surgery
- Shoulder surgery
- Hip replacement or joint replacement surgery

Member Rewards Program!

In addition, we are offering a Member Rewards! Call BVA for any procedure you plan to have and see if you qualify for a Member Reward. Member Rewards are possible for those participants that shop through BVA for lower costs facilities. For example, in the illustration above on Brain MRIs, if you call BVA and choose the lowest cost facility, you may qualify for \$150! Member Rewards are determined by the facility you choose. Member Rewards vary from \$0-\$500 and are sent via checks mailed directly to the home address of the insured. Member Rewards are checks mailed directly to the home address of the insured.

How Can I Talk to a Benefits Value Advisor?

It's easy! **Just call the customer service number on the back of your new 2024 BCBSOK ID card and ask to speak to a Benefits Value Advisor.** All OSU medical plan participants will receive new BCBSOK ID cards for the 2024 plan year. Please remember, if you do not call and speak to a Benefits Value Advisor prior to a non-emergency MRI or CT Scan, you will incur the \$100 fee.

* Rate estimates provided by BCBSOK.

Musculoskeletal Management with Hinge Health!

Conquer back or joint pain without drugs or surgery! You and your family members get free access to Hinge Health's programs for back or joint pain, which includes:

- A free tablet computer and wearable sensors
- Unlimited 1-on-1 health coaching
- Personalized exercise therapy

Eligibility: Employees and dependents 18+ enrolled in a BCBSOK medical plan through Oklahoma State University are eligible.
