1. The very last rating is the summary of core competencies. Final comments may be added in the **“Summary: Core Competencies”** text box. The system automatically averages the scoring and cannot be altered by a supervisor or an employee. The weighted value of each core competency is calculated by the system and amounts to 50% of the overall evaluation. When finished, select the **“Next”** button to move on to the **Next Steps** section tab.

Supervisor Evaluation

Note that the employee is unable to access the evaluation during the **Supervisor Evaluation** phase. The supervisor will receive an email notifying them that they can proceed with the **Supervisor Evaluation** step. This can be accessed with a link in the email or through talent.okstate.edu.

After the supervisor has completed their evaluation, they will send an email to the higher level supervisor that they have completed the evaluation and that they must now review and sign off on the evaluation. Once the higher level supervisor has completed their review and signed off, the evaluation will automatically progress to the **Employee/Supervisor Review Discussion** step.

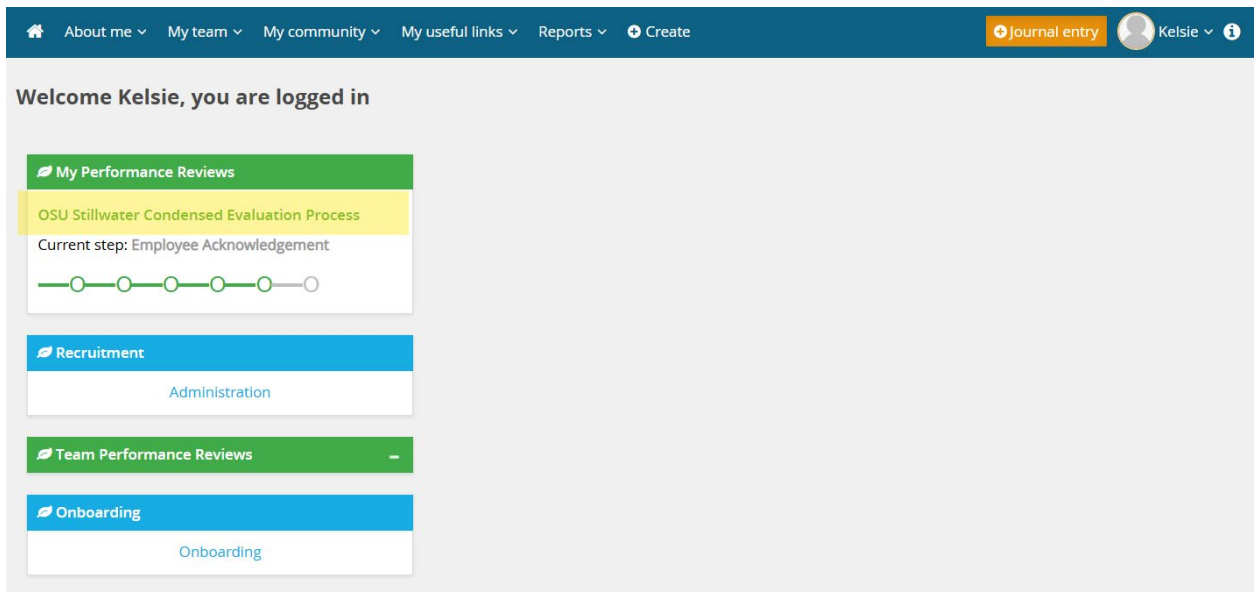

Employee/Supervisor Review Discussion

During this step, the supervisor will schedule a time to discuss the evaluation with the employee. The employee will not have access to the evaluation during this step. The employee will regain access once the discussion is complete, and the supervisor has manually progressed the evaluation to the next step, **Employee Acknowledgment**.

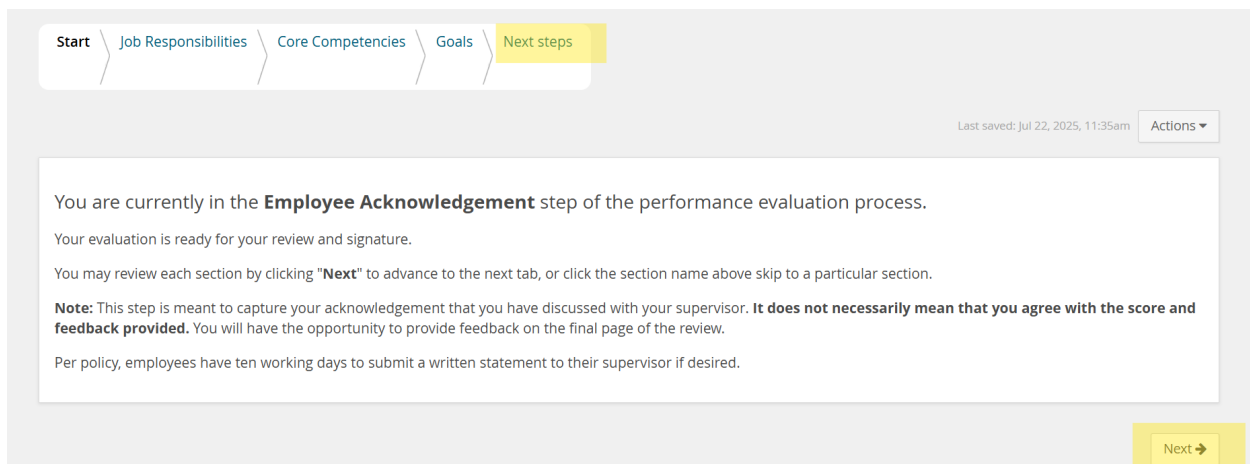

Employee Acknowledgement

1. The employee will receive an email notifying them that their performance evaluation requires a signature. They can log in to their portal using the link in the email or by logging in to **talent.okstate.edu**.
- The employee's signature will be preceded by the following statement: "I acknowledge that I have seen this report and have been apprised of my evaluation. I understand that I may make a written statement to my supervisor within ten working days following. If a statement is submitted within ten working days, it will be attached to this evaluation report. If I choose to make a written statement below in the final comments box, I will notify my supervisor." Written statements should be submitted to the supervisor within 10 working days.

2. Select green text under **"My Performance Reviews"** to open and sign-off on the evaluation.

3. Review the guidance on the **Start Section** tab. The employee can review each section by clicking **"Next"** to advance to the next tab or by clicking the section name above to skip directly to a particular section.

4. On the **"Next Steps"** section tab, review the text in the gray and yellow text boxes. Once the employee has reviewed the evaluation and read the text, select **"Acknowledge"** to move the evaluation into the **Complete** step.

Your next step: Complete

Approval

I acknowledge that I have seen this report and have been apprised of my evaluation. I understand that I may make a written statement to my supervisor within ten working days following. If a statement is submitted within ten working days, it will be attached to this evaluation report. If I choose to make a written statement below in the final comments box, I will notify my supervisor.

 Clicking "Acknowledge" will move this evaluation to the next step and you will be unable to return to this step
