

OSU PAID PARENTAL LEAVE REQUEST FORM

Oklahoma State University recognizes the importance of supporting new parents with time off to care for and bond with their child after birth, adoption, or placement of foster child(ren). OSU Paid Parental Leave supports its employees by allowing the primary caregiver up to six weeks of paid leave and the secondary caregiver up to three weeks per qualifying event. This leave will be taken within the twelve weeks immediately following the date of birth, adoption, or foster placement and may begin up to thirty days before the event. One parental leave event may be taken per calendar year.

- Each eligible parent is responsible for designating their own caregiver status. (Primary or Secondary)
- The duration of Paid Parental Leave is not increased by the birth, adoption, or foster of multiples (twins, triplets, etc.)
- OSU Paid Parental Leave time off may be taken in cases of stillbirth. In such event, with appropriate medical documentation, the eligible parent(s) may use two weeks of paid parental time off.
- The employee will return to the same position (or equivalent), including equal pay, seniority, and benefits.
- FMLA will be auto-designated and run concurrently with this leave if the employee is eligible.
- Parental leave must be taken in a block leave format.

If more than one parent of the newborn or newly adopted child is an employee of Oklahoma State University and both are using parental leave, the employees must designate which employee will serve as the child's primary caregiver and secondary caregiver.

Each employee requesting OSU Paid Parental Leave must provide as much advance notice as practicable.
