In the checklist, employee will complete:

- Within UKG

  - o Oklahoma Teachers' Retirement System Notification Form
  - Loyalty Oath Form with instructions to meet with HR Admin or locate a notary and then upload the notarized form.
  - o I9 Form

When an employee completes their checklist, the department's administrator will receive an email notification and can follow-up with the employee to review their checklist, I9 verifications, upload E-Verify submission along with supporting documents, and Loyalty Oath verification/notarization. It is recommended to include UKG Employee ID in the EPAF comments.

The administrator can email additional guidance to employees once the I9 identification process and notarization of the loyalty oath form are completed. The guidance may include W4, direct deposit, benefits/orientation (if appropriate), salary deferral (if appropriate), etc.

You have successfully processed the I9. **DO NOT** click on "Mark E-Verify Completed" button. Leave this action for the New Hire Team.

Due to the many possible combinations of documents and not being able to ask for specific documents that can be used for I9 verification, it is impossible to provide sample I9s for non-international. Administrators can refer to Form I9 Acceptable Documents <u>https://www.uscis.gov/i-9-central/form-i-9-acceptable-documents</u> for reference.

# **19 Verification/Processing for International Employees**

Follow the I9 Verification/Processing above. Administrator can still verify I9 for international employees that do not have a Social Security Number. Below are samples of international employees' I9.

The new Hire Team will tag the I9 with "Temp Social" and leave the I9 on-hold until it can be processed further when the employee receives their Social Security Cards. This hold does not delay the EPAF process.

Administrator will need to email New Hire Team <u>newhire@okstate.edu</u> to get a temporary social security number for Banner:

Email subject: Temp Social for International Employee Email body: Employee name and UKG ID

Administrators will need to email New Hire Team to release the hold on the I9 once employee receives their Social Security Number from SSA. Once you receive confirmation that the I9 hold is released, you can reject the I9, and this will allow the employee to insert their Social Security Number.

Review Section 1 and 2. If all is correct, click on "Save And Verify" button to sign the document.

Email New Hire Team that the I9 is completed, they will remove the Temp Social tag.
