Due to the many possible combinations of documents and not being able to ask for specific documents that can be used for I9 verification, it is impossible to provide sample I9s for non-international. Administrators can refer to Form I9 Acceptable Documents <https://www.uscis.gov/i-9-central/form-i-9-acceptable-documents> for reference.

I9 Verification/Processing for International Employees

Follow the I9 Verification/Processing above. Administrator can still verify I9 for international employees that do not have a Social Security Number yet. Below are samples of international employees' I9.

Administrator will need to email New Hire Team newhire@okstate.edu to get a temporary social security number for Banner:

Email subject: Temp Social for International Employee

Email body: Employee name and UKG ID

Employees that do not have a Social Security Number yet, New Hire Team will tag the I9 with "Temp Social" as an identifier until it can be processed further when the employee receives their Social Security Cards. This will not delay the EPAF process.

Administrators will need to email the New Hire Team to notify them that the employee received their Social Security Number from SSA. You will need to click on the "Unverify I9" button and then the "Reject I9" button in UKG, this will allow the employee to insert their Social Security Number. Once employee re-submit their I9 with the Social Security Number, you can re-verify their I9.
