All Graduate Teaching Assistants/Research Assistants with a GTA/GRA position at .25 FTE or more taking 9 credit hours spring/fall (2 hours summer) at 0.50 FTE or more taking 6 credit hours spring/fall (2 hours in summer), or on reduced continuous enrollment of 2 credit hours or more for post-candidacy doctoral GTA/GRAs will be automatically enrolled in this insurance plan.

A graduate student who meets the eligibility requirements determined by the OSU Graduate College is eligible and automatically enrolled in this insurance plan.

The Company maintains its right to investigate eligibility or student status and attendance records to verify that the Policy eligibility requirements have been met. If and whenever the Company discovers that the Policy eligibility requirements have not been met, its only obligation is refund of premium.

The eligibility date for Dependents of the Named Insured shall be determined in accordance with the following:

1. If a Named Insured has Dependents on the date he or she is eligible for insurance.
2. If a Named Insured acquires a Dependent after the Effective Date, such Dependent becomes eligible:
   a. On the date the Named Insured acquires a legal spouse.
   b. On the date the Named Insured acquires a dependent child who is within the limits of a dependent child set forth in the Definitions section of the Certificate.

Dependent eligibility expires concurrently with that of the Named Insured.
