BlueOptions and Health Assessment
Employees and spouses who are enrolled in OSU Health Insurance for 2014 may complete a Health Assessment (HA) to receive a $250 credit to their individual deductible. An HA provides you with information on your overall health status and specific health aspects such as sleep and nutrition, as well as helpful tips. When health risks are identified, you also receive recommendations for making healthy changes. It can discover risks that you may not even realize you have. It also reinforces the healthy choices you’re already making. Some of the frequently asked questions that Employee Services have been receiving are:

- **How soon can I take the HA?** At any point now and going forward. BlueCross BlueShield will credit accounts for those employees who completed the HA after July 1, 2013.
- **Where do I go to complete the HA?** Blue Access for Members, found at www.bcbsok.com/osu.
- **Do I need to submit anything to Employee Services or BlueCross BlueShield?** No.
- **When does my credit go into effect?** It will take up to two weeks for the credit to be posted to your BCBS account. 2014 credit will not show up until after the first of the year. The credit should be made prior to incurring any claims as no adjustments will be made.
- **How do I verify I have received the $250 credit?** Log in to Blue Access for Members and click on the “My Health” tab and “Incentives” option. Current employees who use Blue Access, this “Incentives” option will not be available until January 1, 2014. The $250 credit is only eligible to employees and spouses enrolled in OSU Health Insurance. Spouses must create a Blue Access account and complete their own HA.

You will need to have had a recent physical/HA screening in order to report your blood pressure, cholesterol and blood glucose levels, etc. However, if you don’t know your numbers, you can select “I don’t know the numbers” and move on to the next question. You may go to the Department of Wellness or your own physician to have a screening.

All parts of the online Health Assessment must be completed in order to receive the $250 credit.

Mandatory Leave Days
OSU will be closed from Monday, December 23, through Wednesday, January 1, 2014. Monday, December 23 and Tuesday, December 31, are mandatory leave days. Employees who have insufficient leave to cover this absence will incur leave without pay for the mandatory leave days only. An employee in his/her 90-day orientation period may use any accrued annual leave to cover these mandatory leave days.

End-of-Year Flexible Spending Account (FSA) Reminders
What are the plan year dates? OSU offers the Grace Period which is an extension for the standard plan year. This means the 2013 plan year is from 1/1/2013 to 3/15/2014. The 2014 plan year is 1/1/2014 to 3/15/2015. Dates of services during that timeframe can be submitted for reimbursement from those plan year balances.

What is the claim filing deadline? Claims can be submitted until 3/31/2014 for the 2013 plan year. The claim filing deadline for the 2014 plan year will be 3/31/2015.

Since OSU offers the Grace Period, if I submit a claim with a date of service 1/1/2014, what plan year will that claim be reimbursed from? If you submit a claim with a date of service of 1/1/2014 and you have funds available in your 2013 account, the reimbursement will come from your 2013 plan year. If your 2013 account balance is $0, the funds will be pulled from your 2014 account balance. If you have funds available in your 2013 account and you want to save that balance for the 2013 dates of services, please hold off on submitting any 2014 claims (with dates of services from 1/1/2014 thru 3/15/2014) until that 2013 balance is reflecting $0. Otherwise, the claims issue out as a first in, first out basis. It will look at your previous plan year first to issue payment out.

For the new plan year, can I use my debit card to pay for the previous plan year expenses? Yes, since OSU offers the Grace Period, the debit card can be used for the previous plan year services as long as have a balance. If you receive an invoice or charges for the prior plan year and have a balance, you can use your WageWorks debit card for Health Care expenses. You will need to submit a Card Use Verification form for that transaction so that the funds are pulled from the correct plan year balance.

Holiday Pay
Employees required to work during a University holiday will be compensated in accordance with Policy 3-0709, University Holidays.

Non-exempt employees who work on Christmas Day will be paid one and one half times for the time worked, plus time for the holiday. For work on a holiday other than December 25, the employee will be paid at the straight time rate for each hour worked in addition to holiday pay. Exempt employees will receive comparable time off if required to work during University holidays.

The University Holidays policy can be found on the web at http://hr.okstate.edu.

Verify Benefits Enrollments
Employees can use Web for Employees, http://webemp.okstate.edu, to verify benefits coverage online. You may also find it helpful to compare your December and January payroll advice to make sure benefit deductions for the new calendar year are correct.

If you find an error, contact Employee Services immediately, (405) 744-5449, osu-es@okstate.edu, 106 Whitehurst.

Beer to Serve as OSU’s First Ombudsperson

Former Oklahoma State University administrator Dr. Ronald Beer has been chosen to serve as the university’s first ombudsperson. In his new position, Beer will be available to investigate disputes involving students, faculty and staff, and assist parties in mediating fair resolutions with the university, if reasonably possible.

“I hope you’ll join me in welcoming Dr. Beer back to campus. He was selected from a strong pool of candidates for the position, for which he is especially well suited, thanks to his 20 years of experience as vice president of student affairs here,” said OSU President Burns Hargis. Beer retired from his previous position in 2006.

Ombudspersons do not have the authority to force a resolution or other action. The goal is simply to attempt to assist the individuals involved in reaching a mutually agreeable resolution of the dispute, while maintaining confidentiality throughout the process.

The ombudsperson does not replace: (1) EthicSPoint which is available to receive anonymous complaints of apparently wrongful conduct by OSU employees or (2) other formal grievance processes under established OSU policies. Individuals may pursue their formal grievance rights after attempting to resolve a dispute through the ombudsperson.

Beer may be reached by email, ombuds@okstate.edu, or by phone, (405) 744-6627. His office is located at 336 Student Union.

Help Conserve Energy at OSU!

It is important we work together to minimize energy consumption over the holidays. OSU Energy Managers are working to reduce energy consumption as much as possible across campus, and the university holidays provide the best opportunity to maximize energy savings each year.

To maximize energy savings in your area for the holiday break, please remember to:
- Turn off all electronic devices including computers, speakers, monitors, printers, etc.
- Unplug and empty small refrigerators and leave the doors open for ventilation.
- Unplug electronic devices, such as fans, chargers, and radios.
- Turn off all lights and close mini-blinds. Small savings in individual areas add up to huge savings across campus when you take a few minutes to ensure “off is OFF” in your area. Please be advised the heat will not be scheduled on in many areas, so anticipate cooler temperatures should you choose to visit campus during the holiday break. OSU Energy Managers will be monitoring buildings over the break, and they are prepared to deal with any extreme weather events that might occur.
