M-775, E-Verify User Manual for Employers
1.0 INTRODUCTION

Welcome to the E-Verify User Manual for Employers! This manual provides guidance on E-Verify processes and outlines the rules and responsibilities for employers enrolled in E-Verify. All users must follow the guidelines set forth in the Memorandum of Understanding (MOU) and rules and responsibilities outlined in this User Manual.

For the purpose of this manual, the term ‘employer’ means any U.S. company, corporation or business entity that is required to complete the Form I-9, Employment Eligibility Verification (referred to hereafter as Form I-9) including any company employees with an E-Verify user account.

This section introduces the background and overview, basic website navigation, participation, user roles, rules and responsibilities, and the privacy and security guidelines of E-Verify.

1.1 BACKGROUND AND OVERVIEW

In 1996, Congress passed the Illegal Immigration Reform and Immigrant Responsibility Act (IIRIRA), which required the Social Security Administration (SSA) and U.S Citizenship and Immigration Services (USCIS), formerly the Immigration and Naturalization Service (INS), to initiate an employment verification pilot program. Under the U.S. Department of Homeland Security (DHS), USCIS operates the E-Verify program, previously referred to as Basic Pilot. E-Verify implements the legal requirements in IIRIRA by allowing any U.S. employer to verify the employment eligibility of all its newly hired employees.

E-Verify has an average of 1,400 new employer enrollments per week. E-Verify is a voluntary program for most employers, but mandatory for some, such as employers with Federal contracts or subcontracts that contain the Federal Acquisition Regulation (FAR) E-Verify clause and employers in certain states.

E-Verify is an Internet-based system operated by DHS in partnership with SSA that allows participating employers to electronically verify the employment eligibility of their newly hired employees.

E-Verify works by electronically comparing the information on an employee’s Form I-9 with SSA and DHS records to verify the identity and employment eligibility of each newly hired employee.

At this time, an employer can verify the employment eligibility of only one person at a time within E-Verify. All new, temporary, seasonal, and rehire employees must be entered into E-Verify individually.

E-Verify is free and the best means available to determine the employment eligibility of new hires and the validity of their Social Security numbers (SSNs). E-Verify is currently available in all 50 states, the District of Columbia, Puerto Rico, Guam, and the U.S. Virgin Islands.
1.2 BASIC EMPLOYER WEBSITE NAVIGATION

All E-Verify users need to be familiar with the website navigation links. The figure below provides a screen shot of the employer user web page. The navigation links within each area vary depending upon the user.

Area 1 displays the E-Verify logo and the telephone number for Customer Support: 888-464-4218. Area 1 also includes a quick shortcut to begin the verification process. By clicking the green ‘Verify Employee’ button, you will begin the verification process.

Area 2 contains ‘E-Verify News’ which includes important updates on E-Verify, information affecting employment verification, and best practices and current events.
Area 3 contains E-Verify navigation options which are identified in the Area 3 Navigation Overview. Selecting a navigation menu link is the first step in accessing a task or function in E-Verify. Choosing an option displays the first active page to enter information. Each user’s menu option is based on their assigned user role (Section 1.4).

1.3 E-VERIFY PARTICIPATION: ENROLLMENT VS. REGISTRATION

It is important to understand the difference between enrollment and registration which are outlined in the Enrollment vs. Registration Overview.

To check your company’s enrollment status or your access method, contact:

E-Verify Customer Support Monday - Friday 8 a.m. – 5 p.m. Local Time
Telephone: 888-464-4218 E-mail: E-Verify@dhs.gov

If your company is enrolled and you need information on how to add additional users and their functions, see Section 6.0.

To participate in E-Verify, each company must enroll online via any Internet-capable computer using a Web browser of Internet Explorer 5.5, Netscape 4.7 or higher (with the exception of Netscape 7.0), or Mozilla Firefox.

Employers must read and accept the electronic MOU which details the responsibilities of SSA, DHS and the employer. The MOU is signed electronically by the employer during enrollment. However all E-Verify users must agree to and follow the guidelines and user responsibilities outlined in the MOU and this User Manual.
To enroll in E-Verify, employers visit the enrollment website. This website guides companies through the enrollment process. Additional information regarding enrollment is found at the following URL: http://www.dhs.gov/E-Verify.

Participating companies use E-Verify through an access method determined during the enrollment process. The four access methods include: Employer, Designated Agent, Corporate Administrator, and Web Services. The access methods are explained in the Access Method Overview.

<td>The Web Services Designated Agents access method requires a company to develop software that interfaces with E-Verify to perform employment eligibility verifications of newly hired employees. The company’s software will extract data from its existing system or an electronic Form I-9 and transmit the information to government records. If a company chooses this option, it is sent the Web Services Interface Control Agreement (ICA). The ICA contains the information used to develop and test the software interface. Both Designated Agents and Employers are eligible to use this access method.</td>

**REMEMBER**

- Follow E-Verify procedures for ALL new hires while enrolled in E-Verify.
1.4 OVERVIEW OF USER ROLES

Enrolled companies can provide their employees’ access to E-Verify by assigning them user roles. Permissions and functions in E-Verify granted to the user depend upon the user role. There are two types of users, General Users and Program Administrators, and they are explained in the User Role Overview.

General Users and Program Administrators must successfully complete the online E-Verify tutorial before privileges to create or manage cases are granted. Section 6.1 provides additional details to the functions of each user role.

1.5 USER RULES AND RESPONSIBILITIES

All E-Verify users are bound by the guidelines set forth in the MOU agreement and the rules and responsibilities outlined in this User Manual.

All E-Verify users must follow the guidelines specified in the Rules and Responsibilities Overview.

RULES AND RESPONSIBILITIES OVERVIEW

All Employers participating in E-Verify MUST:

- Follow E-Verify procedures for all new hires while enrolled/participating in E-Verify.
- Notify all job applicants of E-Verify participation.
- Clearly display both the English and Spanish ‘Notice of E-Verify Participation’ and the ‘Right to Work Poster(s).’
- Complete the Form I-9, Employment Eligibility Verification for each newly hired employee before creating a case in E-Verify.
- Ensure that all Form I-9 List B identity documents have a photograph.
- Create a case for all newly hired employees no later than the third business day after they start work for pay.
- Obtain a Social Security number (SSN) from all newly hired employees.
- Provide employees the opportunity to contest Tentative Nonconfirmation (TNC).
- Allow newly hired employees to start and continue working during the E-Verify verification process, even if they receive Tentative Nonconfirmation (TNC).
- Ensure that all Personally Identifiable Information is safeguarded.

All Employers participating in E-Verify MUST NOT:

- Use E-Verify to prescreen applicants for employment.
- Check employment eligibility for employees hired before their company signed the E-Verify MOU.
- Take any adverse action against an employee based upon a case result unless E-Verify issues a Final Nonconfirmation.
- Specify or request which Form I-9 documentation a newly hired employee must use.
- Use E-Verify to discriminate against ANY job applicant or new hire on the basis of his or her national origin, citizenship, or immigration status.
- Selectively verify work authorization for newly hired employees.
- Share any user ID and/or password.

Upon enrollment employers are required to clearly display both the English and Spanish ‘Notice of E-Verify Participation’ and the ‘Right to Work Poster;’ both are
displayed in the figure below. Both notices are also found in E-Verify after you log in under ‘View Essential Resources’ (Section 1.2). Notices/posters that cannot be displayed should be printed and distributed to every job applicant.

It is essential to protect the privacy of individuals that submit information to be processed through E-Verify. It is your responsibility to ensure that all personal information collected is safeguarded and used only for the purposes outlined in the MOU between E-Verify and the employer/user. Failure to properly protect individuals’ information can result in identity theft or fraud and can cause considerable inconvenience, harm, or embarrassment to the individuals affected.

At a minimum, take the steps outlined in the Privacy Guidelines Overview to protect personal information and comply with the appropriate regulations.

2.0 INITIAL VERIFICATION

The E-Verify verification process begins with a completed Form I-9. E-Verify makes employment eligibility determinations by comparing the employee’s Form I-9 information entered in E-Verify with the information contained in DHS and SSA records.

Information from Form I-9 is entered into E-Verify and a case result is provided. Case results ultimately determine an employee’s work eligibility. E-Verify will determine a case result based on information compared with SSA and DHS records. Case results can be initial, interim, or final. Every case created in E-Verify receives a final case result before it is closed, and every case must be closed.

This section outlines the steps required to create a case in E-Verify and the initial case results provided by E-Verify.

2.1 FORM I-9 AND E-VERIFY

All employers are required to complete Form I-9 within three days of hiring a new employee and keep a record of the form on file. This requirement does not change for employers enrolled in E-Verify. Employers enrolled in E-Verify have chosen to take the additional step of verifying that the employee’s Form I-9 information matches government records thereby ensuring a legal workforce.

To view or download Form I-9, go to the following URL:

For more information on Form I-9 procedures, refer to the View Essential Resources (Section 1.2) page of your E-Verify account, where you will find the Handbook for Employers.

To view or download the Handbook for Employers, go to the following URL:
http://www.uscis.gov/files/nativedocuments/m-274.pdf

For assistance in finding additional Form I-9 resources, contact E-Verify Customer Support Monday through Friday 8 a.m. – 5 p.m. 888-464-4218.

Newly hired employees must complete Section 1 of Form I-9 in its entirety. Providing a Social Security number (SSN) on Form I-9 is usually voluntary; however, a SSN is required by employers that use E-Verify. Therefore all newly hired employees, including seasonal, temporary, and rehires MUST have a SSN.

A case cannot be created in E-Verify without a SSN. If a newly hired employee does NOT have an assigned SSN, he or she must obtain one from the SSA. This will delay the three day requirement to create a case in E-Verify. Employers must note the reason for this delay on the employee’s Form I-9 and create a case in E-Verify as soon as the employee has received an assigned SSN from SSA. Employers must also indicate the reason that the case was not submitted within three days of hire in E-Verify. Employers may choose a reason from the drop down menu or state a specific reason in the field provided.

Employers must complete Section 2 of Form I-9 in its entirety. To complete Section 2, employers must examine documents that prove the identity and employment
eligibility of the hired employee. The employer may not specify which documents from the list of acceptable documents on Form I-9 an employee may choose to present.

An employer may accept one document from List A, which proves both identity and employment eligibility, or a combination of documents from List B, which proves identity, and List C, which proves employment eligibility.

It is required that all List B document(s) presented to an employer participating in E-Verify MUST contain a photograph.

REMINDER
* All newly hired employees need a SSN
* Do NOT specify or request which documentation a newly hired employee must use for Form I-9
* All List B document(s) MUST contain a photograph

2.2 CREATE A CASE

The next step is to create a case in E-Verify. An E-Verify case must be created no later than the end of three business days after the employee begins work for pay. The date you enter into the hire date field in E-Verify is usually the date the employee began work for pay. This is the date that was entered into the Section 2 Certification on Form I-9.

The E-Verify case can be created before the employee begins work for pay as long as the employee has accepted an offer of employment and Form I-9 is complete. In these situations, the date you should enter into the hire date field in E-Verify is the date you create the case in E-Verify. You cannot enter a future date in the hire date field.

Employees hired before November 6, 1986, are neither subject to Form I-9 nor verification through E-Verify.

To create a case, take the information that the employee completed on their Form I-9 and enter it into E-Verify. To enter this information into E-Verify, you must first log in with your assigned user ID and password and then follow the steps outlined in How to Create a Case – Process Overview.
## HOW TO CREATE A CASE – PROCES OVERVIEW

1. From the E-Verify Welcome page – find My Cases and click:
   - New Case

2. From Section 1 of the employee’s Form I-9, chose the correct option button.
   - A citizen of the United States
   - A noncitizen national of the United States
   - A Lawful Permanent Resident
   - An alien authorized to work
   Click, ‘Continue’
   You are then prompted to indicate the documents provided to you for Section 2 of the employee’s Form I-9. Make the appropriate selection and click, ‘Continue.’

3. In E-Verify, a red asterisk (*) to the right of a text box indicates a required field. From Section 1 and 2 of Form I-9, enter all required information into each text field.
   Click, ‘Continue’

   **Employer Case ID** is an optional field for users that wish to assign an internal tracking code to a case.
If an E-Verify case is not created within three days of hire, the user must indicate the reason for the delay. One of the following reasons may be chosen:

- **Awaiting Social Security Number**
- **Technical Problems**
- **Audit Revealed that New Hire Was Not Run**
- **Other**

The user may also enter a specific reason in the field provided.

Click, ‘Continue’

To view HELP text, click on the question mark icons.

---

**Alien Numbers and Arrival/Departure Record (Form I-94) Numbers are NOT the same.**

Alien numbers consist of 9 digits or less. If the Alien Number is less than 9 digits, add leading zeroes. Although Alien Numbers are preceded by the letter “A,” do NOT type “A” into the E-Verify Alien Number field.

For example: Enter the Alien Number A1234567 as 001234567

Form I-94 numbers consist of 11 digits found in bold print at the top of the Arrival-Departure Record (Form I-94).

---

**REMINDER**

- Complete Form I-9 before creating a case in E-Verify
- Create a case for all newly hired employees no later than the third business day after they start work for pay
2.3 INITIAL CASE RESULTS

The information entered into E-Verify is checked against SSA and DHS records. Once a case is created, a result is displayed. The location of the case result is displayed by the blue arrow.

If the information entered does not immediately match SSA or DHS records, the ‘Check Information’ screen appears to confirm if the information entered is correct. If the user confirms that the information presented is correct, he or she clicks ‘Continue.’ If a mistake was made, the user will need to close the case by clicking ‘Close Case’ and follow the steps outlined in Section 4.2 Close Case.
The initial case result depends on the information retrieved from SSA and DHS records. There are three possible initial case results, listed below:

- EMPLOYMENT AUTHORIZED, Section 2.5
- SSA TENTATIVE NONCONFIRMATION (TNC), Section 3.1
- DHS VERIFICATION IN PROCESS, Section 3.3

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

### 2.4 E-VERIFY PHOTO MATCHING

Photo matching is an automatic part of creating a case in E-Verify that prompts users to compare an employee’s photo ID with a photo displayed on the E-Verify screen. This helps ensure that the documents provided are valid.

The photo matching step occurs automatically when you create a case for an employee that has presented a Permanent Resident Card (Form I-551) or an Employment Authorization Document (Form I-766) for their Form I-9 documentation. When the employee presents either of these two documents and the Form I-9 information entered by the employer matches DHS records, the employee’s photo automatically displays on the E-Verify screen. You must obtain a copy of the employee’s document in order to match the photos.

Matching photos is easy—simply compare the photo displayed by E-Verify to the photo on the employee’s document and determine if the photos are reasonably identical. This means that the photos should be identical, but you should take into account minor variances in shading and detail between the two photos based upon
the age and wear of the employee’s document, the quality of your computer monitor, and the watermark on the photo in E-Verify to protect it from unlawful use.

Do not compare the photo displayed by E-Verify to the employee directly. The direct comparison between the document and the individual happens during Form I-9 completion, prior to using E-Verify. The Photo Matching Overview provides a summary.

PHOTO MATCHING OVERVIEW

► E-Verify prompts you to compare a photo displayed in E-Verify with the employee’s Form I-9 photo document.

► Account for minor variances in shading and detail between the two photos and select yes or no.

► Yes - the photo on the employee’s document matches the photo displayed by E-Verify. Clothing, hair style, facing direction and appearance on the card should be identical to the photo displayed by E-Verify.

► No - the photo on the employee’s document is not identical to the photo displayed in E-Verify.

► Click Continue

IMPORTANT: Compare the photo displayed in E-Verify with the employee’s Form I-9 photo document, not to the actual employee.

After a selection is made, a case result will display one of the following:

♦ EMPLOYMENT AUTHORIZED, Section 2.5
♦ DHS TENTATIVE NONCONFIRMATION (TNC), Section 3.4

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.
REMINDER

* Employees always have a choice of which acceptable documents to present for Form I-9 completion
* Photocopies must be made of all Forms I-551 and I-766 presented by employees
* The photo will display automatically in E-verify during the verification process
* Only compare the employee’s photo document to the photo displayed in E-Verify

2.5 EMPLOYMENT AUTHORIZED

An initial case result of ‘Employment Authorized’ means that the information entered into E-Verify matched DHS and/or SSA records and that E-Verify verified the work eligibility for the employee entered. It’s that easy! However, a case that is ‘Employment Authorized’ is incomplete until it is closed. See Section 4.2 Close Case.

‘Employment Authorized’ is considered both an initial case result and a final case result. This means that the only additional step required is to close the case in E-Verify. It is the most common and simple case result in E-Verify.

Follow the steps outlined in the Employment Authorized - Process Overview.
EMPLOYMENT AUTHORIZED – PROCESS OVERVIEW

►Receive case result ‘Employment Authorized’
►Check the information in E-Verify against employee’s Form I-9
►Close Case

A case result of ‘Employment Authorized’ requires the important step to close the case. You must close each case; this does not happen automatically. Closing the case removes it from the active cases or the ‘Open Cases to be Closed’ list. To close each case, follow the steps outlined in Section 4.2 Close Case.

SUMMARY

EMPLOYER ACTION
• Enter Form I-9 information into E-Verify
• Receive ‘Employment Authorized’ case result
• Ensure that the information found in E-Verify matches with the employee’s Form I-9
• Close Case

EMPLOYEE ACTION
• NONE

2.6 REQUEST NAME REVIEW

In some cases E-Verify generates a case result of ‘Employment Authorized,’ but the name returned in E-Verify does not match exactly with the name on Form I-9. This happens when the information matches but there are name variations in the DHS
records. You must review the employee’s name before a final case result can be
determined. This will ensure that the case result belongs to the intended employee.
E-Verify allows for a name review by following the steps outlined in the Request
Name Review - Process Overview.

► Compare the name displayed in the yellow box with the name you entered that is shown in
the white box.
► If the names match, click ‘Close Case.’
► If the names do not match, request DHS review the case by clicking ‘Request Name
Review.’

► Enter the specific reason for the name review request into the comments field.

► Click ‘Continue.’

A case sent to DHS for name review is updated with one the following results:

♦ EMPLOYMENT AUTHORIZED, Section 2.5
DHS TENTATIVE NONCONFIRMATION (TNC), Section 3.4

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

**SUMMARY**

**EMPLOYER ACTION**
- Determine if a name review is required (if not, ‘Close Case’)
- Click ‘Continue’
- Input reason for name review request in comments field
- Click ‘Submit Name Review Request’
- Wait to hear back from DHS and follow steps outlined in ‘DHS Verification in Process’

**EMPLOYEE ACTION**

3.0 INTERIM CASE STATUS

An interim case result requires additional action before E-Verify can provide a final case result and you can complete the process.

A Tentative Nonconfirmation (TNC) case result means that the information entered into E-Verify from Form I-9 differs from either SSA and/or DHS records. E-Verify identifies the agency associated with the mismatch when the TNC result is provided.

An SSA TNC means that the information entered into E-Verify does not match SSA records. The section below outlines the specific steps required when this case result occurs. Included are descriptions of additional interim case results from SSA or employee actions.

A DHS TNC means that the information entered into E-Verify does not match DHS records. The section below outlines the specific steps required when this case result occurs. Included are descriptions of additional interim case results from DHS or employee actions.

3.1 SSA TENTATIVE NONCONFIRMATION (TNC)

An SSA TNC results when the information submitted in E-Verify does not initially match the SSA records. An SSA TNC does not mean that the employee is not authorized to work in the United States.

An SSA TNC case result may occur because the employee’s:

- Citizenship or immigration status was not updated with SSA
- Name change was not reported to SSA
- Name, SSN, or date of birth is incorrect in SSA records
- SSA record contains another type of mismatch

The employee must be notified of this result as soon as possible by following the steps in Notify Employee of SSA TNC - Process Overview.

NOTIFY EMPLOYEE OF SSA TNC

You must inform the employee of the SSA TNC case result as soon as possible.

While being notified of the SSA TNC, the employee chooses to either contest the case result or not contest. In either case, the employee acknowledges his or her decision on the SSA TNC Notice. When an employee chooses to contest an SSA TNC, it means that the employee will visit an SSA field office within eight government workdays.

If the employee chooses not to contest, he or she acknowledges that you may terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the MOU.

If the employee chooses to accept the case result and take no further action, then you can close the case in E-Verify and terminate employment without penalty. See Section 4.2 Close Case.

To notify an employee of the SSA TNC case result, follow the steps outlined in the Notify Employee of SSA TNC - Process Overview.
NOTIFY EMPLOYEE OF SSA TNC – PROCESS OVERVIEW

► Receive SSA TNC case result
► Click ‘Continue’

![SSA TNC Notice](image)

► Complete the following steps:

1. Select to print the SSA TNC Notice in either English or Spanish. Confirm that the name and SSN listed on the top of the notice are correct. Print the SSA TNC Notice.

2. Review the SSA TNC Notice privately with the employee; instructions are found on page one of the SSA TNC Notice.

3. Instruct the employee to indicate whether he or she will contest the SSA TNC on the SSA TNC Notice.

4. Ensure that you and the employee sign and date the SSA TNC Notice after the employee has indicated his or her choice. Indicate that the employee has been notified by selecting the check box ‘Confirm Employee Notification.’
► Keep original signed SSA TNC Notice on file with Form I-9
► Provide copy of signed SSA TNC Notice to the employee
► Once complete, click ‘Continue’
► Next, confirm the employee’s decision to contest or not contest the case result
If the employee chose to contest the TNC, click ‘Continue’
If the employee chose not to contest, click ‘Close Case’ and follow steps in Section 4.2 Close Case.

SUMMARY

EMPLOYER ACTION
- Privately notify employee of SSA TNC
- Print, sign, and date SSA TNC Notice
- Instruct employee to sign and date SSA TNC Notice

REFER EMPLOYEE TO SSA

After being notified of the SSA TNC, the employee chooses to contest or not contest the case result and acknowledges his or her decision on the SSA TNC Notice. An employee that chooses to contest an SSA TNC is referred to SSA.

E-Verify generates an SSA Referral Letter that you must provide to the employee. You must verify the information on the letter, then print, sign, and provide this letter to the employee. The SSA Referral Letter provides instructions to you and the employee regarding the next steps. See the Refer to SSA – Process Overview for an outline of these steps.

Employees that choose to contest the SSA TNC have eight federal government workdays to visit an SSA field office. Federal government workdays are Monday...
through Friday except for federal holidays. The eight federal government workdays begin when the case is referred to SSA in E-Verify. The date by which the employee must visit SSA is printed in the SSA Referral Letter.

You may not terminate, suspend, delay training, withhold or lower pay, or take any other adverse action against an employee based on the employee’s decision to contest a TNC or while your case is still pending with SSA.

To refer an employee to visit an SSA field office, follow the steps outlined in the Refer Employee to SSA - Process Overview.

**REFER EMPLOYEE TO SSA – PROCESS OVERVIEW**

► Click ‘Refer Case’

![Diagram of E-Verify process]

► Complete the steps listed below:

1. Chose to print the SSA Referral Letter in either English or Spanish and confirm that the name and SSN listed on the top of the letter are correct. Print the SSA Referral Letter.

5. After these steps are complete, click ‘Continue.’
The employee has been referred to SSA, and the case status is ‘Employee Referred to SSA.’ The employee has eight federal government workdays to visit an SSA field office.

Check E-Verify for case updates and follow steps based on next case result.
IMPORTANT: You may not ask the employee for additional evidence or confirmation that SSA resolved his or her case.

SSA has 10 federal government workdays to update the case result in E-Verify. You should check E-Verify periodically for an update in case result. A case referred to SSA is updated with one of the following results:

- EMPLOYMENT AUTHORIZED, Section 2.5
- SSA FINAL NONCONFIRMATION, Section 4.1
- SSA CASE IN CONTINUANCE, Section 3.5
- DHS VERIFICATION IN PROCESS, Section 3.3

3.2 REVIEW AND UPDATE EMPLOYEE DATA

In some instances, a case status of ‘Review and Update Employee Data’ occurs and you will receive a prompt to review and update the employee’s information. This means that SSA found a discrepancy in the information it received in the E-Verify referral.

A ‘Review and Update Employee Data’ update occurs for reasons including typographical errors and/or incorrect information provided on Form I-9.

This requires you to review Form I-9 with the employee, correct the information, and update the case by following the steps provided in the Update Case - Process Overview.

UPDATE CASE – PROCESS OVERVIEW

► Review the accuracy of the information provided on Form I-9 with the employee. If the employee made a mistake on Form I-9, correct and update

### 3.3 DHS VERIFICATION IN PROCESS

A case result of ‘DHS Verification in Process’ means that the information did not match DHS records. The case is automatically referred to DHS for further verification. No action is required by you at this time. DHS will respond to most of these cases within 24 hours, although some responses may take up to three federal government workdays. Check E-Verify daily for a response. Follow the steps outlined in the DHS Verification in Process – Process Overview.

**DHS VERIFICATION IN PROCESS – PROCESS OVERVIEW**

- Case result displays ‘DHS Verification in Process’
- Check E-Verify for changes to case results
- DHS has three federal government workdays to respond
- Follow the next step based on the case result provided

After the three federal government workdays a ‘DHS Verification in Process’ will provide one of the following case results:
- EMPLOYMENT AUTHORIZED, Section 2.5
- DHS TENTATIVE NONCONFIRMATION, Section 3.4
- DHS CASE IN CONTINUANCE, Section 3.5
Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

### 3.4 DHS TENTATIVE NONCONFIRMATION (TNC)

A DHS TNC results when the information submitted to E-Verify does not initially match with DHS records. A DHS TNC does not mean that the employee is not authorized to work in the United States.

A DHS TNC case result occurs because the employee’s:

- Name, A-number, and/or I-94 number are incorrect in DHS records
- ID photo document differs from the photo in DHS records
- Information was not updated in the employee’s DHS records
- Citizenship or immigration status changed
- Record contains another type of error

The employee is notified of this result by following the steps in Notify Employee of DHS TNC – Process Overview

**NOTIFY EMPLOYEE OF DHS TNC**

You must inform the employee of the DHS TNC case result as soon as possible.

After being notified, the employee chooses to contest or not contest the DHS TNC case result and indicates his or her decision on the DHS TNC Notice. When an employee chooses to contest a DHS TNC, the employee is responsible for contacting DHS.

If the employee chooses not to contest, he or she acknowledges that you may terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (#6) in the MOU.

If the employee chooses not to contest the TNC, you may close the case and may terminate employment without penalty.

If the employee chooses to contest the case result, you must refer the employee to DHS. To refer an employee to DHS, see the Notify Employee of DHS TNC - Process Overview.
NOTIFY EMPLOYEE OF DHS TNC – PROCESS OVERVIEW

► Receive DHS TNC case result and click ‘Continue’ to proceed with the notification process.

► Complete the steps listed below:

1. Select to print the DHS TNC Notice in either English or Spanish. Confirm that the name and SSN listed on the top of the notice are correct. Print the DHS TNC Notice.

2. Review the DHS TNC Notice privately with the employee; instructions are found on page one of the DHS TNC Notice.

3. Have the employee indicate whether he or she will contest the DHS TNC on the DHS TNC Notice.

4. Ensure that you and the employee sign and date the DHS TNC Notice after the employee has indicated his or her choice. Indicate that the employee has been notified by selecting the check box ‘Confirm Employee Notification.’
Keep original signed DHS TNC Notice on file with Form I-9.
Provide copy of signed DHS TNC Notice to employee.
Once you complete the steps above, click ‘Continue.’
Next, confirm employee’s decision to contest or not contest the case result.
If the employee chose to contest the TNC, click ‘Continue.’

If the employee chose to not contest, click ‘Close Case’ and follow steps in Section 4.2 Close Case.

**SUMMARY**

**EMPLOYER ACTION**
- Privately notify employee of DHS TNC
- Print, review, sign and date DHS TNC Notice
- Instruct employee to sign and date DHS TNC Notice
- Keep original signed DHS TNC Notice on file with Form I-9
- Provide copy of signed DHS TNC Notice to employee
- Take next action based on employee decision to contest or not contest DHS TNC

**EMPLOYEE ACTION**
- Decide to contest or not contest and indicate choice on signed DHS TNC Notice
- Acknowledge DHS TNC case result by signing and dating DHS TNC Notice
- Take next action based on decision to contest or not to contest

**REFER EMPLOYEE TO DHS**

After being notified of the DHS TNC, the employee chooses to contest or not contest the case result and acknowledges his or her decision on the DHS TNC Notice. An employee that chooses to contest a DHS TNC must be referred to DHS.

E-Verify generates a DHS Referral Letter that you provide to the employee. First confirm the information on the letter is correct then print, sign, date the letter and provide it to the employee. The DHS Referral Letter provides instructions to you and the employee regarding the next steps. These steps are outlined in Refer Employee to DHS – Process Overview.

Employees choosing to contest the DHS TNC have eight federal work days to contact DHS. Federal government workdays are Monday through Friday except for federal holidays. The eight federal government workdays begin when the case is referred to DHS in E-Verify. The date by which the employee must contact DHS is printed in the SSA Referral Letter.

A photo mismatch TNC requires an additional step but follows the same guidelines of any TNC. If the employee chooses to contest the photo mismatch TNC the employee must be referred to DHS and you must send a copy of the photo ID document to E-Verify.

You may not terminate, suspend, delay training, withhold or lower pay, or take any other adverse action against an employee based on the employee’s decision to contest a TNC or while your case is still pending with DHS.

To refer an employee to DHS, follow the steps outlined in the Refer Employee to DHS - Process Overview.
In some cases, E-Verify prompts you to submit a copy of the employee’s photo document to DHS. Follow the steps below to complete this step when prompted.

► First, obtain a copy of the employee’s Form I-9 photo document.

► Then determine how you will submit a copy of this document to DHS. You may submit an electronic copy or send a paper copy by selecting one of the following:

- Attach and Submit Copy of Employee’s Photo Document
- Mail Copy of Employee’s Photo Document

If you chose to mail a paper copy, send it through express mail to the address below:

U.S. Department of Homeland Security (USCIS)
10 Fountain Plaza, 3rd Floor
Buffalo, NY 14202
Attn: Status Verification Unit – Photo Matching

DHS will not pay for any shipping costs. Participants are free to choose an express shipping carrier at their own expense. Inform all hiring sites of the DHS shipping information.
After you complete the above, click ‘Refer Case.’

After you have referred the case, complete the following steps:

1. Choose to print the DHS Referral Letter in either English or Spanish and confirm that the name and SSN listed on the top of the letter are correct. Print the DHS Referral Letter.

2. Review the DHS Referral Letter and explain the next steps to the employee – instructions to the employee are on page one of the SSA Referral Letter and the employer instructions are on page two.

3. Ensure you and the employee sign and date the letter.

4. Provide a copy of the signed SSA Referral Letter to the employee and file the original letter with Form I-9.

5. After these steps are complete, click ‘Continue.’
The employee has been referred to DHS, and the case status is 'Employee Referred to DHS.' The employee has eight federal government workdays to contact DHS.

Check E-Verify for case updates.
IMPORTANT: You may not ask the employee for additional evidence or confirmation that DHS resolved his or her case.

After the 10 federal government workdays a DHS Referral will provide one the following case results:

- **EMPLOYMENT AUTHORIZED, Section 2.5**
- **DHS FINAL NONCONFIRMATION, Section 4.1**
- **DHS CASE IN CONTINUANCE, Section 3.5**
- **DHS NO SHOW, Section 4.1**

Each case result requires different actions or steps to continue or close the case. These actions are outlined in each case result section throughout this manual.

3.5 SSA CASE IN CONTINUANCE AND DHS CASE IN CONTINUANCE

A SSA or DHS Case in Continuance indicates that the employee has visited an SSA field office and/or contacted DHS, but more time is needed to determine a final case result. The reason SSA/DHS needs more time is unique and varies with each situation. You must check E-Verify periodically for an update in case result. You cannot terminate or take adverse action against the employee while SSA/DHS is reviewing an employee’s case.

Once DHS and/or SSA have updated E-Verify, one the following case results shows:

For DHS CASE IN CONTINUANCE:
♦ EMPLOYMENT AUTHORIZED, Section 2.5
♦ DHS FINAL NONCONFIRMATION, Section 4.1

For SSA CASE IN CONTINUANCE:
♦ EMPLOYMENT AUTHORIZED, Section 2.5
♦ SSA FINAL NONCONFIRMATION, Section 4.1
♦ REVIEW AND UPDATE EMPLOYEE DATA, Section 3.2
♦ DHS VERIFICATION IN PROCESS, Section 3.3

There are three Final Nonconfirmations (FNC). These include:

♦ SSA Final Nonconfirmation

A SSA FINAL NONCONFIRMATION AND DHS FINAL NONCONFIRMATION

A SSA or DHS Final Nonconfirmation case result is received when E-Verify cannot verify an employee’s employment eligibility after an employee has contacted DHS or visited an SSA field office.

You may terminate employment with no civil or criminal liability as noted in Article II, Section C – Responsibilities of the Employer (§6) in the MOU.

WORK AUTHORIZATION DOCUMENTS EXPIRING

The ‘Work Authorization Docs Expiring’ Case Alert is a notification that an employee’s Employment Authorization Document or Form I-94 document is expiring. This type of alert will only appear if the document the employee presented for the original E-Verify case was either an Employment Authorization Document or a Form I-94.

This is simply a helpful alert that will remind you to re-verify the employee by updating Section 3 of Form I-9. The employee cannot be re-verified in E-Verify.
5.0 CASE REPORTS

There are three types of case reports available in E-Verify for companies enrolled as Employers. These include: Corporate Overview Pilot of Usage, User Audit Report, and User Report. This section provides direction on how to create each of these reports in E-Verify.

All reports are accessed from ‘My Reports’ and selecting ‘View Reports.’

6.0 ACCOUNT ADMINISTRATION

User Account Administration provides individual users specific functions and permissions to update their account, change their passwords, and perform other functions explained in this section.

It is important to distinguish that the user account functions are different for each user role.

6.1 USER ROLES

Permissions and functions in E-Verify granted to the user differ for each user role. There are two user Roles, the Program Administrator and General User.

Every hiring site must have at least one Program Administrator. This user role is important to provide support for the general user role and to manage the company profile. A company can choose to have General Users which will only be able to create and manage their own cases. General Users and Program Administrators must successfully complete the online E-Verify tutorial before privileges to create or manage cases are granted.

The User Role Functions Overview provides an explanation of the functions of each user role.

</tbody>
</table>

6.2 USER ID AND PASSWORD CREATION

Adding users is completed by the Program Administrator. All users are assigned a user ID and initial password. Upon being initially registered by the Program Administrator, you receive an email with your user ID and password. E-Verify will prompt you to change the initial password for security purposes.

Passwords are case-sensitive and between 8-14 characters long, different from the assigned User ID, changed every 90 days, and have the following characteristics:

- At least one uppercase or lowercase letter
- At least one number and at least one special character - special characters include: ! @ $ % * ( ) < > ? : ; { } + - ~
- Contain no more than two identical and consecutive characters in any position from the previous password
- Contain a non-numeric in the first and last positions
- Not be identical to the User ID
Additionally, password policy recommends that passwords should not:

- Contain any dictionary word
- Contain any proper noun or the name of any person, pet, child, or fictional character, nor any employee serial number, Social Security Number, birth date, phone number, or any information that could be readily guessed about the creator of the password
- Contain any simple pattern of letters or numbers, such as ‘qwerty’ or ‘xyz123’
- Be any word, noun, or name spelled backwards

An example of an acceptable password is found in the Password Example.

<table>
<thead>

</tr>
<tr>
<td>▶ a lowercase letter</td>
</tr>

</tr>
<tr>

</tr>
</tbody>
</table>

Passwords expire every 90 days. E-Verify automatically asks you to create a new password when the old one expires. However, if you think your password was compromised, change it immediately.

If a user attempts to log in with an incorrect password three consecutive times, the system locks him or her out. Password HELP contact information is listed in the information box.

If you are locked out of your user account, first try to change your password using the link “Forgot your User ID?” or “Forgot your password?”

If you are unsuccessful at changing your password with the automatic system, contact your Program Administrator. If your Program Administrator is not available,
RESET OR CHANGE YOUR PASSWORD

If your password has been compromised, change it immediately. To change or reset a password, follow the steps in Reset or Change Password.

From 'My Profile,' select 'Change Password.'

'Change Password' page will display.

Type current password in the 'Old Password' field.

Type new password in the 'New Password' field.

Re-Type New Password in the 'Re-Type New Password' field. The new password cannot be the same as any of the last six passwords.

Enter Password challenge questions and answers.

Receive one of the following confirmation messages:

- If the system processed the password change, then use the new password the next time you log in to E-Verify.
• If the system was unable to process the password change due to user error, carefully repeat the steps for changing a password.
• If the system was unable to process the password change, try changing the password later.

6.3 UPDATE USER PROFILE INFORMATION

Every E-Verify user has a profile which includes his or her name, telephone number, fax number, and e-mail address. Users should update this information whenever necessary using the Change User Profile link. To update this information follow the steps outlined in Update User Profile – Process Overview.

**UPDATE USER PROFILE – PROCESS OVERVIEW**

► From 'My Profile,' select 'Edit Profile.'

![My Profile Menu]

► Add information or edit fields as necessary. A field with an asterisk (*) is a required field.
► Click 'Submit User Profile Changes.' A confirmation message and your profile information will display.

![Enter User Profile Information]

► Review the confirmation message to see whether the request for profile updates was successful. If the system was unable to process the user profile updates, attempt to update your profile at a later time. If the second profile update attempt fails, contact E-Verify Technical Support at 800-741-5023.
7.0 MY COMPANY – PROGRAM ADMINISTRATORS

Program Administrators also manage the site administration of their company. A Program Administrator uses the ‘My Company’ menu to:

- Add General Users
- Add other Program Administrators located at his or her site
- Change or update company profile information
- Terminate his or her company’s access to E-Verify

7.1 ADD NEW USER

Only Program Administrators can add E-Verify users. To add an additional user the Program Administrator must provide the user’s name, phone number, fax number (optional), and e-mail address.

If a user leaves the company or no longer needs access to E-Verify, a Program Administrator must delete the user’s account. To delete a user’s account, see Delete User Account – Process Overview, section 7.2.

If you are a Program Administrator and you need to add a new E-Verify user follow the Add New User - Process Overview.

ADD NEW USER – PROCESS OVERVIEW

► From ‘My Company,’ select ‘Add New User’

► Choose general user or program administrator and provide the person’s name, phone number, fax number and e-mail address and click ‘Next.’

► Choose a user ID and create a temporary password for the new user. Accept the system-generated user ID or create a new user ID.

**VIEW USERS – PROCESS OVERVIEW**

- From, ‘My Company,’ select ‘View Existing Users.’

- Search for a user using the criteria displayed in each field. You can enter a partial name and a percent (%) sign as a wildcard character.

**Photo Match**

In some cases E-Verify returns a case result of ‘Employment Authorized,’ but the name shown as authorized does not match exactly the name you entered in E-Verify from the employee’s Form I-9. This can happen because of name variations in DHS records.
If the names do not match, the case must be sent to DHS for review. Taking this step ensures that the record associated with the ‘Employment Authorized’ case result belongs to the employee whose information entered in E-Verify.

**Review and Update Employee Data**
In some instances, a case status of ‘Review and Update Employee Data’ may occur. This means that SSA found a discrepancy in the information it received in the E-Verify referral. This may occur because of typographical errors and/or incorrect
