Focus Groups to Discuss Retirement Plans

Last spring, the Retirement Investment Committee recommended some changes to retirement investment opportunities. A copy of the OSU/A&M Retirement Update is available online at http://hr.okstate.edu/benefits. Cammack LaRette, the consulting firm who has been working with the Committee will conduct focus groups November 18-21 to gather input from all OSU and A&M campuses before making a final report to administration.

It is anticipated that administration may make a recommendation to the Board of Regents at the March 7, 2014, meeting regarding a single recordkeeping platform. A single platform, maintained by one vendor, would lower fees and costs of the investment options available to employees and retirees and will enhance communications and services. Actual investments offered by OSU/A&M on the single platform can consist of some offered by the record-keeper in addition to investment products offered by other vendors. Also recommended is a continuation of a brokerage option which makes thousands of mutual funds available.

These changes only apply to OSU/A&M defined contribution plans (Defined Contribution Plan/7-11, Alternates Retirement Program, for which OSU provides the contributions, and also the voluntary 403b and 457b plans). It does not affect Oklahoma Teachers’ Retirement or current OSU retirement contribution schedules.

Focus groups will be held on the Stillwater, Oklahoma City and Tulsa campuses. Any employee of the OSU/A&M institutions are invited to attend, but reservations on a first-come, first-served basis are required to ensure adequate space is available. Video conference will also be available for several events. Emails will be sent to numerous employees with defined contribution accounts. If you do not receive email information and are interested in attending and wish to make a reservation, please call Employee Services, (405) 744-5449.

Keep Your WageWorks Debit Card!

If you re-enrolled in the Flexible Spending Account in 2014, keep your WageWorks debit card! Effective January 1, 2014, your card will be reloaded with your new 2014 goal amount. Remember that a debit card transaction cannot exceed the balance available. If you try to use your card for an amount that exceeds the balance, the entire transaction will be denied. If this happens, you can reduce the amount of the charge to be equal to or less than the balance of your account and pay for the remainder of the expense by other means, such as cash, check or another credit card. Or you can pay for the entire transaction using another form of payment, and then submit a paper claim to WageWorks for reimbursement.

Health Savings Account (HSA) 2014 Enrollment

If you enrolled in a Health Savings Account (HSA) in 2014 and are enrolled in an Flexible Spending Account (FSA) in 2013, your WageWorks debit card will be deactivated as of December 31, 2013. You will not have access to your FSA balance, nor will the grace period for reimbursement apply per IRS requirements. If you need to file for reimbursement for any 2013 FSA claims, you must have the request and transaction completed by December 31, 2013.

HSA participants will receive a packet from BenefitWallet at your home address. Please complete the enrollment to open your HSA account to avoid any penalties or delays in reimbursement or account usage. Questions?

Stillwater Public Education Foundation Donations
As you are completing your annual contribution forms for payroll, please consider giving to the Stillwater Public Education Foundation (SPEF). With public schools receiving fewer and fewer state dollars it is vital for the community to help our schools provide the quality education Stillwater children deserve. Because of the generosity of the Stillwater community, SPEF has been able to provide over $700,000 for the past 20 years to our schools and teachers to improve learning opportunities from preschool to high school. For example, last year SPEF funded the purchase of Graphing Calculators and science laboratory equipment for the high school, funded a visiting author for the elementary school, and science laboratory equipment for the high school.

Support Stillwater schools by completing the payroll deduction form found at the following link: http://www.spef.stillwaterschools.com/contribute/payroll-deduction-donations/.

Please send, through campus mail, your completed payroll deduction form for processing to Christine Ormsbee, SPEF Allocations Co-Chair, ITLE/Telecommunications, OSU Stillwater campus.
