Overview of Pcard Program

- This is a State Contract awarded to Bank of America.
- We use a Visa credit card.
- The pcard is for small dollar purchases only-$5,000 or less.
- Works is the internet based software used to track and review our pcard purchases.
- Works allows electronic routing and three levels of review and sign off.
- The pcard program is based in the Purchasing Department.
Training

- Pcard training is required for all cardholders and any individual who has access to the Works system.
- Refresher training is required every two years to retain the pcard.
Information for Management

- Account information, transaction information, and reports may be viewed on the Works system.
- Data remains on the Works system for 2 years.
- Reports can be run to download transaction information before removal from the server.
Cardholder and Departmental Compliance Reviews

- Pcard staff conducts desktop reviews of transactions appearing on the Works system.
- Cardholders and/or departments may be contacted for copies of receipts and/or explanation of purchases.
Cardholder and Departmental Compliance Reviews

- Pcard staff conduct periodic on-site compliance reviews of each department’s pcard purchases to determine compliance with OSU Policy and Procedures and Pcard Guidelines, all required documentation is present, and appropriateness of purchases.
How to Get a Pcard

- A cardholder must be an OSU full-time, continuous employee (.75 FTE and above).
- Student employees may also be issued pcards.
  - A student employee’s pcard will be held in a secure location and provided to the student when needed.
  - After purchase, the student will return the pcard along with the receipts and any additional documentation.
- Temporary or part time employees are not eligible for a pcard.
How to Get a Pcard

- Pcards are the property of OSU and must be turned in to the cardholder’s departmental administration at the time of termination of employment with the department or upon the request of the cardholder’s supervisor, departmental administration, the Pcard Administrator, or the Purchasing Department.
Application Form

• An Application Form for Pcard or Works User Access must be completed to request a pcard or to be assigned access to the Works system.

• Departments will establish credit limits for each cardholder.

• The Application Form can be found at http://purchasing.okstate.edu. Click on the link to pcard to access the forms.
You will be asked to fill out two forms when you pick up your pcard.

The Conflict of Interest Form discloses whether a cardholder has any outside financial interests.

A new Conflict of Interest Form must be completed by October 1 each year or at the time an interest becomes reportable.

Conflict of Interest Forms are to be kept on file in the department and available for review by pcard staff.
Required Forms

- The cardholder must also sign a Purchase Card Employee Agreement form upon receipt of the pcard.
- This form outlines a cardholder’s responsibilities, lists unallowable purchases, and consequences for misuse.
Card Sleeve

- Along with the pcard, the cardholder will receive an orange card sleeve to keep the pcard in.
- Keeping the pcard in this sleeve will help prevent the accidental use of the pcard for personal purchases.
Small Dollar Purchases

- The pcard is for small dollar purchases only-$5,000 or less.
- Any purchase or combination of purchases that exceeds $5,000 must be processed on a requisition through OK Corral.
Credit Limits and Controls

- Maximum credit limits for full-time, continuous employees are:
  - $50,000 per billing cycle.
  - $5,000 per single transaction.
  - These are the maximum limits allowed. Your department will determine a credit limit that is appropriate for your purchasing duties.
  - **Credit limits per billing cycle over $10,000 will require justification from the department head explaining why a higher monthly limit is necessary.**
Credit Limits and Controls

• Maximum credit limits for student employees are:
  ◦ $2,500 per billing cycle.
  ◦ $500 per single transaction.

• Credit limits over these amounts will require justification from the department head explaining why higher limits are necessary.
Credit Limits and Controls

- Credit limits will be recertified annually.
  - A cardholder’s actual spend will be compared to his/her monthly credit limit.
  - If the cardholder consistently spend less than his/her monthly limit, recommendation may be made to lower the monthly limit.
  - If the pcard is only used a few times a year, recommendation may be made to cancel the pcard.
  - If the department does not agree with the recommendation, an appeal may be filed in writing with the Pcard Administrator.
  - Appeals that cannot be resolved will be forwarded to the Chief Procurement Officer.
Card Limits and Controls

- Merchant Category Codes are specific codes assigned by the credit card industry to merchants according to business type.
- Certain MCC codes are blocked on the pcard. These are businesses where the pcard will not work. Examples are:
  - Liquor stores
  - ATMs
  - Massage Parlors
  - Casinos
Billing Cycle

- The pcard billing cycle runs from the 21st of the month and ends on the 20th of the next month.
- If the 20th falls on a weekend or holiday, the billing cycle ends on the previous business day.
- All cardholders and users of the Works system are on a listserv and are notified each month of the end of the billing cycle.
Using the Pcard

- The cardholder is the only person authorized to make purchases using his/her pcard.
- Sharing or loaning your pcard or pcard number may result in revocation of the pcard.
- You are responsible for what is spent on your pcard.
- If a purchase needs to be made with your pcard, you should be the one making the purchase.
Using the Pcard

- Having a pcard does not imply prior approval.
  - Cardholder must follow whatever procedures the department has in place to authorize pcard purchases.
- No fees should be charged by a vendor for paying by credit card.
- All purchases made with the pcard must be allowable on the pcard.
  - Review the list of prohibited and restricted purchases.
- Purchases should not exceed your credit limits.
- Give fair treatment to all merchants and determine if the price obtained is reasonable.
Using the Pcard

- All purchasing, regardless of dollar volume, should start with a search of the OK Corral. The Corral contains competitively bid contracts that exist to promote efficiency in business transactions and provide cost savings for all departments. This is a best practice and board policy (30:10-1-2(8)) “When established purchasing contracts exist, purchases must be made from these contracts.”
Pcard Security

- The cardholder is responsible for safeguarding the pcard and account number at all times.
  - Keep pcard and account number in secure location.
  - Do not loan or share your pcard.
  - Vendors should not place pcard number on shipping label or invoice.
  - Review transactions in the Works system for unauthorized transactions.
  - Review the Bank Statement each month for unauthorized transactions.
  - Order from a secure website.
Lost or Stolen Pcards

- Report lost or stolen pcards to Bank of America immediately at 888-449-2273. Outside the U.S. call 509-353-6656.
  - The cardholder may be asked to provide the name embossed on the pcard, the address listed on the pcard application, or the phone number listed on the pcard application.
- Bank of America will block the use of the pcard.
- A replacement pcard will be issued.
- The cardholder may have to sign an affidavit if there were fraudulent charges.
Leave of Absence

- If a cardholder is on leave of 30 days or more, department must contact the Pcard Administrator.
- The pcard will be placed in suspension ($0.00 credit limit).
- Department can contact the Pcard Administrator upon cardholder’s return for reinstatement.
- This protects the cardholder and the University against loss and fraudulent charges.
Disciplinary Action

- The pcard may also be placed in suspense as a result of violation of Pcard Guidelines or department policy.
- Suspending the pcard may be done by Pcard staff or at the department’s request.
- Credit limits may be reinstated when any requirements for reinstatement have been met.
Replacement of Pcards

- The pcard expiration date is listed on the front of the pcard.
  - The Bank will issue a replacement pcard prior to the expiration date. The pcard will be sent directly to the cardholder.

- Defective pcards.
  - Pcards may be replaced if the original is defective or mutilated.
  - Contact the Pcard Administrator for a replacement.
  - Pcards will be mailed to address on the Application Form.
  - Cardholder must destroy the defective pcard.
Returning Pcards

- Pcards are the property of OSU.
- The pcard must be returned to the department upon termination, transfer, or retirement.
- The pcard must be returned when requested by the cardholder’s supervisor, departmental administration, Pcard Administrator, or the Purchasing Department.
- To cancel a pcard, the department must reclaim and destroy the pcard and process a Deletion Form for Pcard or Works User Access.
- Pcards should be cancelled immediately upon termination, transfer, or retirement.
Making a Purchase-Over the Counter

When you make an in-person, over the counter purchase:

- Verify the vendor accepts Visa. If not, you will need to find a different vendor.
- OSU is exempt from Oklahoma State sales tax.
- If necessary, provide the vendor with OSU’s tax exempt information.
- A copy of OSU’s tax exempt certificate may be downloaded from http://purchasing.okstate.edu.
Making a Purchase-Over the Counter

- Look at your receipt before you leave the register to verify no sales tax was charged.
- It is much easier to have the vendor reverse a tax charge at the time of purchase rather than go back at a later date and have the taxes removed.
- Obtain a receipt. The receipt is an official University record. A receipt is required for every purchase!
Making a Purchase-Mail, Phone, Fax

When making a purchase by mail, phone or fax:

- Provide pcard information to the vendor.
- Verify no Oklahoma State sales tax is charged.
- Although we are exempt from Oklahoma State sales tax, we are not necessarily exempt in other states.
- Always let any vendor know we are a tax exempt institution.
- Most vendors will not charge us tax.
Making a Purchase-Mail, Phone, Fax

- If sales tax is charged by a vendor in another state, the tax is not a violation and OSU is allowed to pay it.
- Provide shipping instructions to the vendor.
- Obtain a confirmation number and request a receipt. Some vendors will not provide a receipt unless requested.
- Retain the receipt, packing list, shipping information, etc. All these items must be kept for pcard documentation.
Making a Purchase-Internet

- When making a purchase over the Internet
  - Use a reputable vendor and secure site.
  - Complete the order process.
  - Internet vendors are not considered state vendors-if they charge us sales tax it is not a violation.
Making a Purchase-Internet

- Some internet vendors will not provide a receipt. Printing the screens that show what you ordered, itemized pricing, and the total including shipping and handling can serve as the receipt if the vendor does not provide one.

- **Retain the receipt, packing list, shipping information, etc.** All these items must be kept for pcard documentation.
Delivery Address

- Goods/services should always be delivered to a University address.
- If there is a justifiable business reason for having items shipped to a non-University address, a Request for Exception-Goods/Items to be Shipped to a Non-University Address Form must be completed and approved prior to purchase.
- This form is on the Associate Vice President and Controller’s website and must be approved by that office.
- This form must be kept with the receipt for the purchase as documentation.
Returns, Damaged Goods, Credits

- Packing materials should be retained until you are certain you are keeping the item - some items cannot be returned without the original packaging materials.
- Work with the vendor to return items.
- A restocking fee should not be paid when the vendor is responsible for the problem.
Returns, Damaged Goods, Credits

- Check your Bank (credit card) Statement for credits.
- Vendors are quick to charge your pcard. They are not always as fast to give you a credit. The cardholder is responsible for making sure credits are received.
- Retain credit receipt.
Returns, Damaged Goods, Credits

- Vendors should not charge for backordered items until they are shipped.
- If you receive a partial shipment, you should only be charged for the portion that was shipped.
Card Denied

- If the pcard is denied contact Bank of America at the number on the back of the pcard. They should be able to tell you why the transaction did not go through.
- The cardholder can also run a “Card Declines” report or an “Authorization Log” in the Works system to determine why the transaction was declined.
- See Works tutorial for how to run these reports.
Rebates, Rewards, Cash Back, Gifts with Purchases

- At times, University purchases may result in cash or non-cash incentives. The incentives from University purchases are the property of the University and may not be used personally. Examples of such incentives include, but are not limited to, rebates, gift cards, two-for-one purchases, coupons, spend rewards, and expendable or non-expendable supplies. Any monetary, cash or non-cash incentive, or other type of reward received as a result of an OSU purchase becomes the property of the University and should be used for a University purpose. If the incentive received does not serve a University purpose, the department should not take advantage of the incentive.
Receipts

- The cardholder is responsible for obtaining original receipts, packing slips, and other required documentation.

- Receipts must include:
  - Date
  - Merchant Name
  - Itemized list of purchases
  - Itemized pricing
  - Total-including shipping and handling

- Original packing lists and any other shipping documentation must be maintained with the original receipt.
Lost Receipts

- If a receipt is lost, the cardholder must obtain a duplicate receipt.
  - The cardholder may contact vendor and request a duplicate.
  - A duplicate receipt may be obtained from the merchant’s website in some cases.
  - The cardholder may contact the Bank for a duplicate receipt at 800-410-6465.
  - The Bank cannot provide receipts under $25 that did not require a signature.

- Repeated loss of receipts may be grounds for disciplinary action or cancellation of the pcard.
Resolving Disputes with Vendors

- For problems with a transaction, the cardholder must contact the vendor.
- The contact must be documented in writing.
- If the cardholder and the vendor are unable to come to a resolution, a dispute may be filed with Bank of America through the Works system.
Record Retention

- Original pcard records shall be maintained in a central location.
- Records must be available for review by Pcard staff.
- The original records must be kept for 7 years.
- If you make purchases on grant accounts, the retention requirements may be longer.
- No original records may be destroyed until approval is granted by the University Archivist or Record Retention Officer.
Roles in the Works System

- Works is the internet based software provided by Bank of America to track our pcard transactions.

- The vendor delivers the goods or services and submits the transaction to the credit card company.
- Within a couple of days, the bank has paid the vendor.
Work Flow

- Once the accountant has signed off on the transaction, it is “closed” and goes into a batch to be uploaded to Banner.
Reconciliation Process
