Responsible Investing (RI)

Responsible Investing (RI) is an investment philosophy that incorporates Environmental, Social and Governance (ESG) factors into investment analysis, portfolio construction and ongoing monitoring across asset classes with the objective of enhancing long-term performance, managing risk and aligning client values. Learn how the RI industry has evolved over the years, current trends driving its growth and ways for you to consider incorporating RI practices into your investments strategies.

Register today for this live webinar on Thursday, September 13, from 12 p.m. to 1 p.m. (ET).

Featured speakers:

**Kirby Brendsel**
Director, Responsible Investing
Nuveen, a TIAA Company

Kirby Brendsel is a Director and member of the Responsible Investing (RI) team at Nuveen, the investment management arm of TIAA.

Nuveen’s Responsible Investing team oversees the firm’s holistic RI vision and unified framework across Nuveen and TIAA, partnering with internal stakeholders to implement in day-to-day business activities. The framework establishes the firm’s overall RI philosophy as well as guidelines for incorporating RI disciplines in investment decisions and new product development. On the RI team, Mr. Brendsel focuses on RI strategic relationships and stakeholder partnerships, both internal and external, spanning across Nuveen and the TIAA enterprise.
