| Loan Availability               | Yes                                    | No                              | No |
| Required Minimum Distribution   | Yes                                    | Yes                             | No, during owner’s lifetime. |

Note that distributions from the Roth 403(b) and Roth IRA are subject to taxation on the portion attributable to earnings if made before Qualified Distribution provisions are satisfied. The "Distribution" information provided within this chart is an interpretation of Internal Revenue Codes. You may want to discuss with the IRS or your tax advisor if you have any questions or concerns.
