

OKLAHOMA STATE UNIVERSITY

DRUG-FREE WORKPLACE STATEMENT

TO ALL EMPLOYEES:

In accordance with the Drug-Free Workplace Act of 1988, Oklahoma State University hereby notifies all employees that the unlawful manufacture, distribution, dispensation, possession or use of a controlled substance is prohibited in the workplace. Any employee found to have violated this prohibition may be subject to disciplinary action up to and including dismissal or be required to satisfactorily participate in a drug abuse assistance or rehabilitation program as a condition of continued employment. The drug abuse assistance/rehabilitation program shall be one that has been previously approved for such purposes by federal, state, or local health, law enforcement or other appropriate agency. The imposition of such disciplinary action or requirement to satisfactorily participate in a drug abuse assistance/rehabilitation program is premised solely upon a violation of this prohibition and does not require a criminal conviction.

As a condition of employment at Oklahoma State University, all employees will:

1. Comply with the terms of this statement; and
2. Notify the University (through either their immediate supervisor, other supervisory administrator or project director) of any criminal drug statute conviction for a violation occurring in the workplace in writing no later than five days after such conviction.

Such conviction may, of course, result in the employee being disciplined or required to satisfactorily participate in a drug abuse assistance/rehabilitation program as specified above. Failure of an employee to report his/her conviction, as required herein, constitutes grounds for dismissal.

As a further requirement of the Drug-Free Workplace Act, the University has established a drug-free awareness program for the purpose of informing employees about the dangers of drug abuse in the workplace, the University's prohibition of controlled substances in and on OSU property, any available drug counseling, rehabilitation and employee assistance programs, and the penalties that may be imposed for drug abuse violations. An Employee Assistance Program has been created in furtherance of the drug-free awareness program. Information about the drug-free awareness program and the Employee Assistance Program may be obtained from University Counseling Services.
