COMPENSATION ADJUSTMENT REQUEST FORM UPDATED

The *Compensation Adjustment Request Form* has recently been updated. Revisions include the question “For new hires/promotions, do you plan to do a 90-day demonstrated proficiency increase (Up to 5%)?” “Today’s Date” is also now included on the form.

The most current version of the form should be used and is available for download from the Human Resources website, <http://hr.okstate.edu> - click on “Supervisor Toolkit” then select “Search with Success” from the drop-down menu. Scroll down to find the *Compensation Adjustment Request Form* and *Compensation Adjustment Form Guidelines* located under “Staff Pay”.

The form shall be used when requesting an adjustment in staff pay that exceeds staff pay guidelines as established on the OSU-Stillwater campus. For the purpose of this form, staff positions include all full-time and part-time positions; temporary and student positions are excluded from this process. The compensation adjustment review process facilitated by this form culminates in the review and final approval by the Vice President of Administration and Finance.

Additional review is required for base pay adjustments of current OSU staff which exceed 10% within the fiscal year. Additional review is also required when a unit administrator hires an external candidate at a rate that exceeds the maximum of the established hiring range.
