Use WebFOCUS to Separate Employees
Several months ago, we notified departments that the WebFOCUS application for separation Employment Actions was up and running again. Many of you are already using the WebFOCUS separation EA because it is so easy to complete.

Beginning January 2, 2007, we are requesting that you only use the WebFOCUS separation EA and that all separation EAs be delivered to the Information Hub in 106 Whitehurst. All personnel forms are now being scanned and electronically stored after processing. However, beginning with the separation EA, we will be processing the form electronically. Use of the WebFOCUS separation EA will allow us to code the form for automatic filing.

The WebFOCUS separation EA can be found at https://webfocus.okstate.edu/ibi_html/pro_publish/osh_Menu.htm. Please call Bob Schreiber, (405) 744-5759 if you have problems or need assistance.

Remember, January 2, all separations are to be completed by WebFOCUS application and delivered to 106 Whitehurst.

New Employees?!
Call Employee Services to schedule a benefits enrollment session, (405) 744-5449.

To be eligible for all benefit options, enrollment must be within the first 30 days of hire.
FAMILY AND MEDICAL LEAVE ACT INFORMATION

One of the most common questions Human Resources receives is about FMLA - the Family and Medical Leave Act. Supervisors might find the following overview of the FMLA helpful.

The Family and Medical Leave Act of 1993 (FMLA) is a federal law which gives certain job protections to employees when balancing work responsibilities with the demands of personal illness or injury or to care for family members. Basically, it requires an employee receive up to 12 weeks of leave (paid or unpaid) each year for serious personal or family health conditions.

To be eligible for FMLA leave, an employee must have been employed by the University for twelve months, which need not be consecutive, and must have worked at least 1,250 hours within the previous 12 months as of the date the leave commences.

Under FMLA an eligible employee may request up to 12 weeks of unpaid leave for a qualified event:

A. For the birth and care of a child or placement of a child with you for adoption or foster care. Such leave must be taken within 12 months immediately after birth or within 12 months after placement. Leave may begin prior to birth or placement;

B. For care of a family member (as defined in 3.03 FMLA Definitions of Family) with a serious health condition. The employee must be needed to care for basic needs, psychological comfort, filling in for others, or making arrangements for the relative; or

C. Because an employee’s own serious health condition makes the employee unable to do his or her job due to illness, injury, impairment, or physical or mental condition that involves inpatient care or continuing treatments.

Regardless of how much paid leave an employee has accrued, family medical leave must be taken if the qualifying conditions exist. An employee may not choose whether or not to take family medical leave. Family medical leave is concurrent with other paid leave (such as workers’ compensation); family medical leave does not occur after all other appropriate leave has been taken.
