STUDENT JOB CODES (W, U, AND O)

The proper job codes for OSU students are as follows:

Job Code W is appropriate for biweekly paid students with a 1.5 overtime schedule. This is the most typical student job code.

Job Code U is appropriate for biweekly paid students with a 1.0 overtime schedule. This job code is limited to a few seasonal positions in Agriculture.

Job Code O is monthly paid graduate/teaching/research assistants/associates. These student positions are excluded from overtime. However, teaching assistants/associates must be teaching. Graduate/research assistants/associates must be involved in activities that are related to their academic work. If the graduate/research assistant/associate works outside his/her academic department, the EA requires verification of the work as related to their academic studies from the head of the appropriate academic department.

These codes are to be used for OSU students only. All other students, such as NOC students, high school students, etc., should be classified as temporary employees since they are not OSU students and should be placed in job code V unless, of course, the individual is a continuous, regular employee.

Non-OSU students are not classified as students because individuals who are enrolled and regularly attending classes at that school, college, or university are not subject to FICA taxes. The IRS does not allow students from another institution to be entitled to the exemption. Therefore, only OSU-students should be classified and hired into student positions. OSU students, who are the only employees allowed to receive the FICA exemption, must be enrolled at least halftime.

Proper use of the job code will result in application of an accurate average fringe benefit rate. Non-OSU students are charged FICA and the average benefit rate is higher (because FICA is paid on these employees).

NOC students and high school students may be hired into temporary positions.

BENEFITS ELIGIBILITY SUPERVISORS NOTES

Supervisors and administrative staff need to be aware of benefits eligibility requirements in order to make appropriate commitments for pay and benefits to prospective new hires, ensure proper enrollment in benefits upon hire, and communicate benefit status in case of reappointment or leave situations. Also, class codes and job codes must be harmonious to avoid confusion about eligibility.

Human Resources has prepared an information sheet which will provide guidance in these areas. In all cases, the employee must be assigned an appropriate job code. Additional eligibility requirement such as FTE may also be required.

You may download a copy of the Benefits Eligibility information sheet at www.okstate.edu/osu_per/. Select Supervisors Toolkit, then select Benefits Eligibility.
HRSTAR PROGRAM

Do you have an HRStar performer in your department? Because every department on campus uses HRS (Human Resources System database), it is important to have at least one individual in each department who is trained to understand the functions of the system. The HRStar Program provides that training. It consists of four classes that are between 2-3 hours each. By attending all classes, participants receive a certificate indicating their achievement in becoming an HRStar performer. There is no cost for these classes.

The HRS, Time Input and Confirmation class, March 16, April 20, June 1, August 24, October 5, and November 16, is a prerequisite for all other classes.

Other HRStar Program classes, which can be taken in any order, are as follows:

- **Employment Action Forms and Payroll Sign-Up**
  - April 27, May 25, September 7, and October 12

- **Payroll Processing**
  - May 4, June 8, September 21, and November 2

- **Payroll Accounting**
  - May 11, June 15, November 9, and December 7
